A. Introduction

The Florida International University Travel and Other Expenses Manual provides direction and guidance for employees, students and travelers who undertake travel on behalf of the University in accordance with the University Travel Expense Policy. This manual has been prepared to familiarize University employees and others with the travel provisions of Florida Statute 112.061 and the policies of Florida International University. It provides a quick reference to policies and procedures for incurring and reimbursing travel and other expenses.

It is the responsibility of all travelers to familiarize themselves with the FIU Travel Manual to ensure they are following the proper process, whether seeking reimbursement or not. The Controller’s Office provides guidance on travel requirements to all travelers to ensure proper compliance with all policies.

All facets of travel are to be by the most efficient and economical means. Expense reports are processed by FIU in compliance with Florida laws and University policies and procedures. Receipts and/or additional documentation or justification will be required to support the reimbursement of expenses claimed. Adjustments to reimbursement requests may be made, as needed, to comply with applicable statutes, policies, and procedures.
Travel Expenses
B. Travel Authorization

An approved Travel Authorization (TA) is a traveler’s permission to incur expenses and travel on behalf of Florida International University. This includes FIU employees, FIU students, and others who undertake travel on behalf of the University. It provides an estimate of the cost for a trip. A Travel Authorization is always required except for vicinity travel. The Authorization must include all travel expenses that are known or can be projected before the trip. The Travel Authorization must include a descriptive trip purpose including official conference name or meeting name and benefit to FIU. The payment of travel expenses on behalf of the University, using the procurement card, or by the traveler is prohibited without an approved Travel Authorization (TA). One TA per travel period is required.

A travel period commences no earlier than a day before an event and concludes no later than a day after the event. When traveling to a foreign country, the travel period may include two (2) days prior to or after the event, depending on the destination. This includes destinations when the flight is more than twenty (20) hours. When a traveler, for their convenience, travels by an indirect route or interrupts FIU-related travel, the additional expenses are the traveler’s responsibility.

Group/Team Travel
FIU Faculty, Staff, and Students

A Travel Authorization (TA) must be created and approved prior to making travel arrangements for any student or non-employee who undertakes travel on behalf of the University. The TA should be in the name of the faculty or staff member responsible for all expenses. A list of the names of all travelers, their affiliation with FIU, such as prospective employee (candidate), student, collaborator, or speaker, must be included in the benefit area of the TA and imaged with the supporting documentation of the expense report. In addition, a Group Travel Template is encouraged to be included with the supporting documentation when traveling with multiple students/employees.

The team/group leader may purchase meals for all students traveling. The leader would be entitled to reimbursement for those students’ meal allowances. Alternatively, students may request meal allowance reimbursement if those meals were not paid by the faculty/staff traveling with them. Group/team travel will normally include study abroad, the FIU band, athletic games, competitions, and upward bound. Please note that students traveling on a Study Abroad Program will not be reimbursed their individual meals.

Travel for Donor/Sponsored Affiliation

In the case where the affiliation of the traveler is a donor, a donor’s family member, or an employee of the sponsor or entity that provided the source of funding that is being used, the faculty/staff member responsible for the trip must work with their expense/project manager and contact the administrative staff in the Foundation or Office of Research and Economic Development (ORED) (based on the funding source being utilized) for guidance before making any travel arrangements. Any affiliation must be specifically disclosed to ensure there
are no conflicts of interest which could adversely affect the viability of the trip. Any approved travel expenses or reimbursements for a donor, a donor’s family member, or an employee of the donor, must be processed through the Foundation (FIU02), not through the University (FIU01).

FIU Student Travel
For students to be eligible to travel for the University, a new process has been implemented in the PantherSoft Financials System to create travel/expense documents for FIU students. This process replaces the Student Travel form and expedites the ability to become a proxy for FIU students. Click here to view the instructions.

Student travel, in many instances, is handled in the same manner as for faculty and staff:

- A Travel Authorization (TA) is entered in PeopleSoft under the student’s name, and (TA) approval is required before expenses are incurred.
- An Expense Report (ER) is created after returning from the trip (no later than 15 business days after completion) and submitted along with the receipts and any additional documentation.

Departments may choose to pay for travel expenses directly, using a Departmental Travel Card or an Unencumbered Payment Form (these expenses also need to be included with the expense report).

FIU Students Receiving a Cash Payment for Travel or other Expenses
There are substantial differences when a student is receiving a cash payment (award).

- The payment must be requested through the Office of Financial Aid.
- The payment will be treated as a travel stipend (scholarship) to the student, and the student is not required to provide receipts to support the travel expenses.

  Click here for The Financial Aid link.

C. Travel Cash Advance
An employee may request an advance to help defray out-of-pocket costs when traveling outside of the vicinity of the University. A Travel Authorization must be approved prior to a cash advance being issued. The maximum allowed for a cash advance is 80% of the expected out-of-pocket expenses not to exceed $5,000. An employee is only allowed one (1) cash advance at a time. All cash advance requests that exceed $5,000 must explain the benefit to FIU or the project in the box provided within PeopleSoft. Explanations will be reviewed for reasonableness and final approval will be by the Office of the Controller. The Office of the Controller reserves the right to approve or deny based on the information provided and adherence to University policies and procedures. An advance will be approved for payment no earlier than ten (10) business days prior to a trip and will not be issued after a trip has ended. Cash Advances must be settled ten (10) business days from the travel ending date.
If a traveler does not resolve the Cash Advance within thirty (30 days) the traveler will not be allowed another Cash Advance for 12 months. If a cash advance is not resolved within sixty (60) days, the amount of the advance will be deducted from the employee’s salary. Cash advances are only issued to FIU employees traveling on behalf of the University.

D. Common Carrier

The University reimburses coach/economy class airline travel. However, classes other than coach may be allowed under exceptional circumstances, typically due to medical necessity. The employee must submit a request for an upgrade to the University Chief Financial Officer (CFO) prior to purchasing an airline ticket. Upgrades purchased without the CFO’s approval will not be reimbursed. If the University Credit Card was used, the cardholder or the traveler must reimburse the University. If business class is available for travel due to medical necessity, first-class travel is not reimbursable. If a business/first class ticket costs less than an economy ticket, the CFO’s approval is still required. If a flight change occurs, the original and the revised itinerary must be submitted with the expense report to support any change fees or changes in airfare. Justification for the change must be included with the supporting documentation. If flying a different route for personal reasons, the traveler must have advance airfare quotes showing round-trip to and from the business event in the receipt package for comparison purposes. The lesser of the two amounts will be reimbursed. Within the acceptable class of travel, the most efficient and economical means should be considered and approved by the appropriate individual.

Aircraft travel must be the most economical rate and class available which will normally be the economy/coach class. Airfare may be purchased through an on-line travel website (Travelocity, Priceline, Expedia, etc.), airline website or a travel agency (Uniglobe). It is the traveler’s responsibility to obtain an itemized receipt from the above-mentioned vendors. A receipt for the airfare must accompany the expense report. The receipt may be a printout of the emailed flight itinerary, and must contain all of the following information:

a. Name of traveler  
b. Dates traveled  
c. Times of flights  
d. Destination of departure and arrival  
e. Class of travel (coach or economy)  
f. Fare paid.

The receipt must clearly indicate that the ticket has already been paid. Include receipts for any separate baggage charges with the receipt package. Travelers will not be reimbursed for airfare purchased using reward points or mileage memberships.

The use of personal planes for University business is not reimbursable due to increased liability and administrative costs.

Penalties for cancellation of discounted airline tickets may be paid only if the cause for cancellation was in the best interest of the University. The cost of unused, non-refundable tickets, or cancellation penalties incurred are allowable for the convenience of the University.
If the traveler has to cancel a trip due to illness of the traveler, or death of a member of the traveler's immediate family, for which an employee is authorized to use sick, bereavement or administrative leave, the cost incurred for the cancellation is reimbursable. Appropriate justification must be submitted in writing. The standard for non-employees is the same as for employees. If a ticket is canceled for the convenience of the traveler, the cancellation penalty may not be reimbursed. Carefully evaluate the circumstances and risk of cancellation prior to purchase of discounted tickets.

E. Hotel Accommodations/Lodging

Hotel rooms must be paid at the single occupancy rate and the most economical means must be utilized. The traveler is responsible for making appropriate arrangements with hotels for the rental of rooms. The traveler's personal credit card or T&E card may be used when making hotel reservations, after a Travel Authorization (TA) has been approved.

An itemized lodging receipt showing zero balance due must be included with the supporting documentation of the expense report. If a department purchases a block of rooms to accommodate a large group, the Purchase Order Number (PO#)/Smart Billing Invoice # must be provided in the benefit section of the report. The department must also provide the itemized documentation of Travelers name, Panther ID# and nightly room cost. Room service is not reimbursable or payable by the University.

Rates

The most economical means should be considered. Justification is required if the hotel, Airbnb, or VRBO accommodation nightly rate is in excess of $225. However, no justification is required, even if the hotel rate exceeds $225 if the rate complies with the General Services Administration (GSA) or Department of Defense (DOD) rates. Additionally, if the stay is at the “official” hotel of a conference/convention, and the rate claimed is less than or equal to the stated conference/convention rate, justification is not needed. The traveler and proxy are responsible for providing supporting documentation showing that the selected hotel is one of the “suggested” conference hotels.

If the University has an agreement with a hotel, and the contracted rate is used, justification will still be required if the rate exceeds $225 and the GSA or DOD rate.

The University uses the GSA domestic maximum lodging as the reference rate for all hotel accommodations in the continental United States. The GSA website is [http://www.gsa.gov/portal/content/104877](http://www.gsa.gov/portal/content/104877). When the city of ultimate destination is not listed on the GSA website, the reference rate will be the standard CONUS (Continental United States) GSA rate for all destinations not specifically listed.

The Department of Defense (DOD) maximum lodging rate should be used as the reference rate for non-continental United States as well as U.S. territories and protectorates. The DOD website is [http://www.defensetravel.dod.mil/site/perdiemCalc.cfm](http://www.defensetravel.dod.mil/site/perdiemCalc.cfm). The Department of State (DOS) is used for the maximum lodging allowed for travel to foreign countries.
Limiting Allowable Hotel Expenses Continues

We have received the following guidance from the Office of the General Counsel:

_House Bill (HB) 5003. In order to implement appropriations in the 2024-2025 General Appropriations Act for state employee travel and notwithstanding s. 112.061, Florida Statutes, costs for lodging associated with a meeting, conference, or convention organized or sponsored in whole or in part by a state agency or the judicial branch may not exceed $225 per day._

As of July 1, 2023, the cost for lodging for FIU employees associated with a meeting, conference, or convention organized or sponsored in whole or in part by FIU may not exceed $225.00 per day if paid with state funding (E & G). Amounts exceeding $225.00 per night may be paid through an alternative funding source.

**Departments must ensure the requirements of this law are met when establishing lodging for FIU employees attending FIU sponsored events.**

Travelers Sharing a Hotel Room

Each employee traveling is responsible for their own hotel charges. However, there are circumstances that arise while on a trip when a traveler may need to pay for a co-traveler’s hotel room. In these instances, the traveler and co-traveler need to properly record the appropriate information in the travel module so that the travel cost can be associated with the traveler and co-traveler. The traveler paying the hotel bill shall request reimbursement for the total amount on their travel reimbursement request. The traveler whose hotel bill is being paid must file an expense report and state on the expense report “hotel room compliments of John Doe” also list the expense report ID of the traveler who paid the hotel bill and submit a copy of the lodging receipt. The maximum room rate must be in accordance with the University’s policy. In addition, a Group Travel Template is encouraged to be included with the supporting documentation when traveling with multiple students/employees.

Travelers Split Hotel Room Bill

If two travelers share a hotel room and split the bill, each traveler may claim one-half of the hotel bill on their travel reimbursement request. They must obtain separate hotel folios indicating individual payment.
Vicinity Travel Lodging
A traveler may not claim per diem or reimbursement for lodging for vicinity travel unless extraordinary circumstances that necessitate the overnight stay are fully explained by the traveler and approved by the Associate Vice President and University Controller in writing prior to the expense being incurred. Criteria for approval shall include late night or early morning job responsibilities. Request must be sent from your FIU email.

The traveler must submit the following information with this request:
- Name
- Panther ID#
- Detailed justification for Vicinity Lodging Exemption
- Name of the event
- Dates
- The Funding Source (if a Sponsored Research grant project, approval from ORED is needed to confirm expense is allowable per the grant)
- Event Agenda
- Event weblink
- MapQuest

Travel Packages
If multiple travel expenses are purchased together as a package that results in a cost saving for the University, it is the responsibility of the traveler or delegate to obtain a breakdown from the merchant.

Travel Agency
To support ongoing efforts to provide quality corporate travel services and reduce travel costs, FIU employees will be able to use Uniglobe Travel Designers-for making reservation for airline tickets and hotels. For booking services use the below information:

Phone Number: 614-237-4488
Email Address: FIU@uniglobetd.com

It is the traveler’s responsibility to verify the information on the airline ticket and hotel reservation to make sure that dates, cities, and other relevant data are correct.

F. Auto Rental/ Transportation
Car Rental
Florida International University uses the State of Florida contract with Avis and Budget for the rental of vehicles. This contract is only applicable for renting from Avis and Budget in the continental U.S. Reservations can also be made by contacting the Avis/Budget toll-free
number (State of Florida Reservation Desk: 1-800-338-8211); renters should be prepared to provide the AWD or BCD when making a reservation. The FIU Avis Worldwide Discount (AWD) number for making reservation is B133407, and the FIU Budget Corporate Discount (BCD) number is T417711.

University employees needing a rental car for official business must use the following website to make their reservations: STATE OF FLORIDA RESERVATION PORTAL: 
https://www.carrental.com/abgPartners/sof/

Renters must use their FIU Credentials (email) when booking and select the Payment Type as Pay at the Counter.

If an individual traveling on behalf of FIU chooses another rental agency, the traveler will be reimbursed at the rate of the State contract. If an employee is forced to rent from another rental agency, written justification must be provided with the expense report. For rentals other than the Avis or Budget contract, the excess cost may be required to be reimbursed to the University, unless adequate written justification is provided if the rental was paid with a University Credit Card. Customers are strongly encouraged to only use airport locations for trips involving air travel.

Gas will be reimbursed for auto rentals and University vehicles only to the driver of the vehicle. Submit gas receipts with the Travel Expense Report as an incidental expense type.
Class of Car Allowable
Rental is restricted to a compact (Class B) vehicle unless traveling with multiple travelers or traveling with extra equipment or excess baggage when the car is shared with other travelers. The traveler must provide written justification for renting a larger vehicle.

If traveling with others, include a list of the other passengers with their respective Travel Authorization and/or Expense Reports numbers or include a Group Travel Template Form. If traveling with equipment or extra baggage, provide a detailed list and explanation. Include information with the receipts submitted with the Expense Report.

Travelers will not be reimbursed for use of a car larger than the B-car class on the rental car contract because of the size or stature of the individual unless the requirements of the American Disabilities Act (ADA) are met.

Sales Tax / Surcharge Fees
The total amount charged for the car rental should exclude State of Florida Sales Tax and surcharges (when prepaid by FIU Pro-Card (Direct Billing Account)). Tax exemption will not apply to rentals when renters use personal funds for payment. All business travel out-of-state will be charged all taxes and fees assessed based on the rental location, including selected out of state city surcharges, if applicable. If you rent a car at the airport, you will be subject to the mandatory fees by the airport authority.

Tax Exempt
Florida International University is a tax-exempt organization. When traveling in the State of Florida, travel expenses in the name of the University (paid with Pro-Card) should not be assessed taxes. Travelers/Proxy must request the taxes to be removed from the bill. Most vendors will want a copy of the University’s Sales Tax Certificate of Exemption. If the supplier does not reimburse sales taxes, add the following statement to the supporting documentation “Supplier would not honor University’s Sales Tax Certificate of Exemption after requesting reimbursement.”

Direct Billing
The department will need an Avis/Budget issued Billing Number. Billing Number are issued to allow University Pro-Card Holders to reserve and pay rentals for other individuals (i.e., students, candidates, non-FIU employees and faculty/staff). You can request the Billing Number by completing the Avis/Budget Global Electronic Billing Terms of Agreement or Budget Application Program Terms of Agreement account prior to making a reservation. The form must be completed in full; you must initial each decline box under Optional Coverage and select compact 4-door (B) similar to the Ford Focus. You will email the completed document to floridahelp@avisbudget.com, subject line GEB Application, time sensitive, and highlight it with red exclamation point high importance flag. Do not disclose Billing Numbers to others as it is tied to your Pro-Card. A billing number is not needed for rental reserved and paid by the individual traveler for themselves.
Drivers under the age of 25
Most car rental companies have strict guidelines regarding renting to drivers under the age of 25. The State contract provides that any state employee aged 18 to 25 can rent a car for business purposes from Avis or Budget with a valid driver’s license. If the department did not setup a direct billing account for the driver, they must provide a Letter of Introduction, this must be on FIU letterhead and signed by the Department Head, it must include the traveler’s name, the confirmation # of the rental car, the days FIU approved for travel and the size car approved for travel. The traveler must print the letter and provide it to the Avis/ Budget counter representative.

Non-Reimbursable Automobile & Insurance Expenses
The University will not reimburse for any class of vehicle not authorized by the University Travel Expense Policy. Additionally, the University will not reimburse for Personal Liability Insurance, ALI: Additional Liability Insurance, LDW: Loss Damage Waiver Insurance and PAI: Personal Accident Insurance or any additional insurance. If the State contract is not used, Collision Damage Waiver (CDW) is the only insurance allowed.

Taxi and Other Carriers
Taxi, Uber, Lyft, or shuttle fares in excess of $25 per occurrence require a receipt. Tips in excess of 20% will not be reimbursed. The most efficient and economical means of travel should be used. This considers the traveler’s time, impact on the productivity of the traveler, and cost of transportation. The location of pick-up and drop off must be noted on the receipt, i.e., home to airport, airport to hotel, etc.

Damaged Vehicles
At pick-up, the traveler should examine the car to make sure it is not damaged. If the car is damaged, the traveler should notify the rental company and request another car or a written statement from a representative of the company acknowledging that the car was damaged when delivered to the traveler.

Seatbelt Use
All occupants of state rented vehicles are required by law to use seat belts while traveling in the vehicle. Failure to use seat belts may result in disciplinary action or reduced worker's compensation benefits in the event of an accident.

Accident Reports
All accidents are to be reported to the car rental company. Any forms or reports prepared by the police or car rental company should be turned in to the FIU Insurance Manager who can be reached at (305) 348-6970.

Use of Private Automobiles
Authorization may be granted for the use of privately-owned vehicles to conduct official travel. Travelers using their own automobiles are reimbursed for the official mileage between the cities traveled and are entitled to a mileage allowance at a fixed rate. The traveler is not
entitled to a mileage allowance when transported gratuitously by another person.

Use of FIU Automobiles

Employees may be reimbursed for gas, parking and tolls when conducting official FIU business. The expense report must include the vehicle number and/or vehicle log.

Rail Transportation

Travel by rail is allowed and will be reimbursed when traveling in Coach Class on Amtrak and Smart Class when traveling on Brightline train. Employees must use their FIU Credentials(email) when booking to receive exclusive discounts. For instructions on how to set up an account with Brightline click here.

G. Travel Expense Report Timeliness/Reimbursement

After returning from a trip reimbursement is made by completing an expense report with accompanying receipts. The expense report must be submitted within fifteen (15) business days after the completion of the trip. Expense reports that do not meet the University’s guidelines for reimbursement may be required to be paid through the payroll system and reported as income. Contact the Travel Accounting Manager (305-348-1141) for The Taxable Reimbursement Process instructions. The Expense Report must list all expenses associated with the trip, whether paid directly by the University or reimbursable to the traveler. The Expense Report must include a descriptive trip purpose including official conference or meeting name and benefit to FIU.

If expenses are split between the University and an outside organization, it is required that the expenses paid by an outside organization be reported in the form of a comment on the Expense Report or memo included with the receipt package. In most cases, the Expense Report will be pulled from the pre-existing Travel Authorization and modified as needed before submission. The Expense Report must be signed by the employee whose name appears at the top of the document via DocuSign or the “Print and Sign” option. If the expense report is created on behalf of a non-employee (candidate, speaker, etc.), the non-employee will not sign the report. The printed report along with all supporting documentation must be uploaded in a single PDF file and attached to the system report. If a University credit card or purchase order was used to pay for expenses, it must be noted on the receipts prior to uploading. University Credit Card items must be listed on the expense report and marked as non-reimbursable.

Mileage

The traveler must use the most direct route. If the traveler uses an indirect route for his/her convenience, any extra cost must be borne by the traveler. Mileage shall be shown from the point of origin to the point of destination. Travelers will not be paid a mileage allowance for travel between their residence and their headquarters or regular work location. The current mileage rate is 0.445 per mile for official travel using a privately-owned vehicle.
Mileage reimbursement should be requested on the expense report. All mileage claimed must be substantiated. The traveler must substantiate the mileage reimbursement using a mapping website such as MAPQUEST or the State of Florida DOT. The mapping website must include the beginning and ending addresses of the trip. Reimbursement for mileage must be submitted at least quarterly. Vicinity mileage, parking, and tolls will not be reimbursed if the date(s) claimed are over ninety (90) days old. If the traveler chooses to drive long distance rather than fly for personal reasons, comparable airfare quotes must be obtained before the travel occurs and provided as part of the receipt package. The lesser of the two amounts will be reimbursed.

Non-Reimbursable Items
Gas, costs of operation, maintenance, and ownership of a privately-owned vehicle are the responsibility of the traveler and are not eligible for reimbursement. The University will not reimburse a traveler for repairs, fines for violation of the law, or other related costs incurred while traveling on official business of the University this is the traveler’s responsibility.

Classes of Travel
The University utilizes the per diem and meal allowance rates adopted in Florida Statute, Section 112.061. Travelers on Class A or B travel (see below) are entitled to travel expense reimbursement and have two alternatives, either the Flat Per Diem Rate or Per Diem Meal Allowance.

For purposes of calculating the per diem and subsistence allowances provided in Section 112.061(6), F.S., use the following guidelines:

1. Class A travel is continuous travel of 24 hours or more away from official headquarters. The travel day for Class A is based on a calendar day (midnight to midnight).
2. Class B travel is continuous travel of less than 24 hours which involves overnight absence away from official headquarters. The travel day for Class B travel begins at the same time as the travel period.
3. Class C travel is short or day trips in which the traveler is not away from their official headquarters overnight.

Class C allowances have been reviewed by the State Legislature and are currently NOT to be reimbursed to travelers.
Flat per diem rate

Per Florida Statute, a Flat Per Diem may be claimed for any domestic or foreign travel in lieu of claiming actual lodging receipts, lodging that is provided by others, and daily meal allowances. The $80 daily rate is intended to compensate those travelers that do not claim actual lodging and meal expenses. A Flat Per Diem can be claimed when a traveler is unable to provide actual receipts for lodging. The Flat Per Diem cannot be claimed in conjunction with any actual lodging or meal claims for the same day.

To calculate Per Diem the travel day is divided into four quarters at $20 each. The traveler should claim $20 for each quarter during which he or she is traveling. For instance, the traveler departing on a trip at 5 a.m. is traveling during all four quarters on the first day and will claim $80. The traveler returning from a trip at 10:30 a.m. will claim $40 for the last day, since travel occurred only during two quarters. Travelers may claim flat per diem for the last day of travel considering there will be no hotel charge. This amount is normally more than claiming only the meal allowance for the last day. Please refer to the clock:
There is no Flat Per Diem reimbursement for one day travel not involving an overnight stay.

**Meal Allowance (Domestic travel)**

A meal allowance cannot be claimed in addition to the flat per diem rate. The following meal allowance is allowed for travel in the continental U.S., its territories, and possessions.

<table>

Note that the meal allowance should not be claimed when the meals are provided by the host location (i.e. seminar that provides lunch to participants).

Class “C” Meals Are Not Reimbursable – Class C Travel is a trip which is less than 24 hours with no overnight stay. There is no meal allowance. Travelers are allowed two hours prior to the departure time of their flights for domestic travel and three hours prior to the departure time of their flights when traveling to foreign countries. This allows time for the necessary airport security checks and boarding.

**Vicinity Travel Meals**

A traveler may not claim per diem or reimbursement for meals for vicinity travel unless extraordinary circumstances that necessitate the overnight stay are fully explained by the traveler and approved by the Associate Vice President and University Controller in writing prior to the expense being incurred. Criteria for approval shall include late night or early morning job responsibilities. Request must be sent from your FIU email.

The traveler must submit the following information with this request:

- Name
- Panther ID#
- Detailed justification for Vicinity Lodging Exemption
- Name of the event
- Dates
- The Funding Source (if a Sponsored Research grant project, approval from ORED is needed to confirm expense is allowable per the grant)
- Event Agenda
- Event weblink
- MapQuest
Employees on Travel Status over 30 Continuous Workdays

When an employee is stationed in a city or town for a period of over thirty (30) continuous workdays, such city or town shall be deemed to be their official headquarters. They shall not be allowed per diem or subsistence after the period of thirty (30) continuous workdays has lapsed, unless extended by prior approval of the Divisional Vice President or their designee. A University employee on travel status may leave their assigned post to return home overnight, over a weekend, or during a holiday but any time lost from regular duties shall be taken as annual leave and authorized in the usual manner. The employee shall not be reimbursed for traveling expenses in excess of the established rate for the per diem allowable had they remained at their assigned post.

Registration Fees

Registration fees may be paid by the traveler, Accounts Payable, the Department Travel Card, Smart Billing, Purchase Order or on the Travel and Entertainment VISA Card (T&E Card). An agenda **must** be submitted with the expense report for all travel to conferences, conventions, workshops, and seminars. For payments through Accounts Payable, the following documents should be submitted at least three (3) weeks prior to the due date of the registration fee:

- An approved Travel Authorization (TA)
- An Unencumbered Payment E-form
- A copy of the completed registration form
- After the trip, the registration fee should be included on the expense report.

Registrations for, or inclusions of, events such as luncheons, awards ceremonies or banquets may be allowable with an explanation as to how it will directly enhance the public purpose of Florida International University. If applicable, an agenda and itemized costs must be included as supporting documentation.

Membership Dues

Public funds may be used for the purpose of paying professional institutional/organizational membership dues, provided that the membership is essential to the duties and responsibilities of the institution or organization. Individual memberships are not reimbursable unless there is written certification by the organization stating that it does not accept institutional memberships. Individual memberships also must be essential to the statutory duties and responsibilities of the individual. The traveler must provide written justification for those expenses, and it must be included with the supporting documentation. **Do not include** departmental/organizational memberships on an expense report.

Communication Expenses

Communication expenses incurred while conducting University business require a receipt. These items may include telephone use, computer use, or a fax document. The traveler must provide written justification for those expenses, and it must be included with the supporting documentation.
Traveling with Equipment
When traveling with equipment, check with the Office of Sponsored Research or Export Control Office before traveling with equipment outside of the US to avoid any export licensing issues. Best practice for international travel with a laptop is to not have specialized software installed and to not contain unpublished data or research.

Receipt Requirement
Receipts must document the transaction information. Accurate and detailed records of purchases allow the FIU Travel Department, FIU, State and Federal auditors to verify and audit the purchases for compliance with University, State and Federal policy, statutes, rules, and regulations. All receipts/invoices must contain the following information:

1. Vendor Name and Address
2. Transaction Date
3. Description of the transaction (hotel folio, flight information or a list of items being purchased).
4. Unit costs for items purchased
5. Itemized items
6. Total amount paid
7. Proof of payment

All of the information on the receipt must be clear and legible and must include all of the required information. Transactions with a greater financial risk to the Institution may require a greater documentation standard than lower value financial transactions. Low risk transactions are generally defined as transactions under $100, charges which appear reasonable in nature and charges that have additional support. High risk items generally have a high dollar value or are unusual in nature. Additional documentation may be required.

Items that will be paid with a Purchase Order do not have to show proof of payment but must show unit price. All hotel folios, flight itineraries, registrations, etc. must show payment.

Expenses that Require Receipts
The following information shall be required with the traveler's reimbursement request when claiming reimbursement or accounting for prepaid items by the University:

1. Taxi fares in excess of $25 per occurrence.
2. Storage, parking fees or tolls in excess of $25 per occurrence. Such fees are not allowed on a weekly or monthly basis unless it can be established that such method results in a savings to the State.
3. A statement that communication expenses were business related. This includes fax charges.
4. Dry-cleaning, laundry, and ironing expenses when official travel extends beyond seven calendar days and such expenses are necessarily incurred to complete the official
business portion of the trip.
5. Passport and visa fees required for official travel.
6. Necessary fees charged to purchase traveler's checks for official travel expenses.
7. Fee charged to exchange currency necessary to pay official travel expenses.
8. Costs of maps necessary for conducting official University business.
9. Receipts or canceled checks for registration fees paid by the traveler.

Please note personal telephone calls made to a traveler's family are not a reimbursable communication expense. Employees who frequently travel should request a phone allowance.

This link provides further information for cell allowance and Cell Phone Policy.

Expenses that do not require receipts
1. Tips paid to taxi drivers that do not exceed 20% percent of the taxi fare.
2. Tips paid for mandatory valet parking not to exceed $1 per incident.
3. Portage paid shall not exceed $1 per bag not to exceed $5 per incident. Portage charges exceeding $5 per incident will require additional justification. Examples of an incident will be if the traveler's bags are taken into the airport from the vehicle, then are carried from the airport to the vehicle upon reaching the destination, etc. The number of bags must be included on the travel reimbursement request.
4. Photocopy charges that are business related and less than $25.

Expenses related to lost keys or keys locked in a vehicle due to employee negligence are not reimbursable from public funds.

Missing Receipts
If the employee does not have a receipt for a transaction, a duplicate receipt must be obtained from the merchant. If duplicate receipts for items such as taxi or shuttles cannot be provided, the Lost/Receipt form may be used. The form must contain a detailed description and pricing of all items received, along with proof of payment (credit card or bank statement). The Lost Receipt Form must be signed by the payee, approved by a unit approver with budget authority and dated. Excessive use is not acceptable.

Travel Expenses Funded by Multiple Departments
When expense for a given trip are shared by multiple departments, only one Travel Authorization and Expense Report should be submitted. The traveler will enter multiple accounting detail lines to split the trip by percentage or separate accounting details for expense types to split the trip by expense and dollar amount. The chart fields entered will determine the overall portion of the trip or the specific expenses that are paid by each department. If the information is being entered by a delegate rather than the traveler, representatives from the respective units will need to collaborate before and during submission of the Travel Authorization and Expense Report to ensure that the delegate enters all necessary information.
Personal Travel

All expenses for non-FIU-related travel are the responsibility of the traveler. If a traveler includes personal travel days at the beginning, middle, or end of a trip, the traveler is responsible for all expenses related to personal travel. The University Credit Card should not be charged for personal expenses. These expenses include hotel, meals, rental car, fuel, mileage, and airfare. Personal travel days should be noted as Personal on the Travel expense report. Suppose an indirect route was taken for personal reason. In that case, a traveler will be required to submit documentation, such as airfare quotes, to show what the cost would be if a direct route was taken, or those additional costs were not incurred due to personal travel. Travelers should be mindful that under IRS rules if the travel is determined to be more than a minimal amount of personal travel, anywhere from a portion to the full cost of the travel could be taxable to the traveler.

Travel Expenses not Reimbursed by the University

If emergency travel is required that prohibits prior entry of a Travel Authorization into PantherSoft, a memo is required indicating the details of the travel and the circumstances that prohibited adherence to the normal authorization process, including evidence that the situation was out of the Traveler’s control. This memo should be signed by the employee, the employee’s Supervisor, and the appropriate Vice President. The notation “Post-Travel Authorization Memo attached” should be entered into the comment field of the Expense Report page in the Travel Module. The Post-Travel Authorization Memo must be included with the Receipt Package that is submitted to the Travel Department with the Expense Report.

When a payment reimbursement request is made for travel expenses in excess of those ordinarily authorized pursuant to Section 112.061, F.S., and such excess travel expenses were incurred to permit the safe travel of an individual with disabilities, those excess expenses will be paid to the extent that the expenses were reasonable and necessary to the safe travel of the individual. All claims for reimbursement shall be submitted in accordance with the instructions in the “Americans with Disabilities Act.”
Americans with Disabilities Act (ADA)

When a payment, which would not otherwise be a lawfully authorized use of University funds, is requested pursuant to the American with Disabilities Act (ADA), the payment request shall include a signed statement from the agency head or designee certifying that:

1. An employee of the University, an applicant for a position or other covered person has requested a “reasonable accommodation” pursuant to ADA to assist him/her in performing his/her duties, applying for a position or other covered activity.
2. The University has determined that the individual is a “qualified individual with a disability” as defined in the ADA.
3. The University has determined that the purchase of the item in question is a “reasonable accommodation” pursuant to ADA for that employee, applicant, or person.
4. The University will maintain all records related to this purchase for seven years and make those records available for review to those persons authorized to review such records.

The ADA provides that records related to an individual's disability must be kept confidential; therefore, payment information related to providing a “reasonable accommodation” shall contain a file number or other code by which the voucher can be readily traced to the confidential records maintained by the agency. For questions, contact the Office of Civil Rights Compliance and Accessibility at 305-348-2785.

Travel Expenses for Non-Employees

When the University pays travel expenses incurred by independent contractors, consultants or other non-employees, the expenses may be paid either as part of the contractor’s flat service fee (all-inclusive) or the agreement may stipulate travel costs to be paid as separate reimbursable expenses. In the latter case, the travel reimbursement is made via a Reimbursement of Travel Expenses for Non-Employees Payment Form in addition to an expense report created on behalf of the non-employee.
Foreign Travel
Foreign Travel Authorization

An approved Travel Authorization (TA) is a traveler’s permission to incur expenses and travel on behalf of the Florida International University. This includes FIU employees, FIU students, and others who undertake travel on behalf of the University. It provides an estimate of the cost for a trip. A Travel Authorization is always required for foreign travel. The Authorization must include all travel expenses that are known or can be projected before the trip. The payment of travel expenses on behalf of the University, using the procurement card, or by the traveler is prohibited without an approved Travel Authorization (TA). One TA per travel period is required.

A travel period commences no earlier than a day before an event and concludes no later than a day after the event. When traveling to a foreign country, the travel period may include two (2) days prior to or after the event, depending on the destination. This include destinations when the flight time is more than twenty (20) hours duration. When a traveler, for their convenience, travels by an indirect route or interrupts FIU-related travel, the additional expenses are the traveler’s responsibility.

When traveling to foreign countries on behalf of the University, all University employees and students must follow the procedure and guidance of the International Travel Policy. The policy and procedure can be viewed at FIU Policies and Procedures Library. No administrator may approve the use of department or project funds for travel or travel-related costs to countries identified by the U.S. Dept. of State as “state sponsors of terrorism.” The countries that have been identified can be viewed at U.S Department of State website.

Mandatory Use of The Travel Authorization (TA) Request Process For International Travel Approval

Pursuant to Florida State legislation (HB 7017/ F.S. 1010.36), the University has expanded its travel authorization process to require screening and pre-approval for all international travel and foreign activities. All (even if paid by 3rd party) international travelers must now complete a Travel Authorization request (TA), which includes a Foreign Travel questionnaire, specific disclosure requirements regarding travel expenses, and the traveler’s Acknowledgement certifying that they have read this Guidance. You may refer to this Quick Guide to provide you with an overview of the international travel screening and reporting process.

It is encouraged that FIU travelers submit their TA request at least twenty (20) business days before their trip to allow sufficient time for the request to be screened and approved by the Export Control Office.
How to Report Travel Expenses Paid by a Third Party

All travelers to a foreign destination must complete an expense report even if no expenses are incurred. Report all expenses, payments, and honorariums paid by third parties via the International Travel link on the Expense Report. Click here for guidelines and instructions.

Foreign Lodging

Hotel rooms must be paid at the single occupancy rate and the most economical means must be utilized. The traveler is responsible for making appropriate arrangements with hotels for the rental of rooms. The traveler's personal credit card or T&E card may be used when making hotel reservations, after a Travel Authorization (TA) has been approved. The University can only make direct payments to hotels for room accommodations prior to the trip if either a savings to the University can be justified or team/group travel is required.

An itemized lodging receipt showing zero balance due must be included with the supporting documentation of the expense report. If a department purchases a block of rooms to accommodate a large group, the Purchase Order number (PO #) must be provided in the benefit section of the report. The department must also provide the itemized documentation of Travelers name and nightly room cost. Room service is not reimbursable or payable by the University.

Maximum allowable foreign lodging rates are determined by the U. S Department of State, Foreign Per Diem Rate, Maximum Lodging Rate, for the city or region. If unique circumstances require that the nightly hotel rate exceeds the published U. S Department of State rate, justification is required, which must be included in the supporting documentation of the expense report.
Foreign Meal Allowance

The meal allowance for foreign travel does not start until the traveler arrives in the city of the country of destination and ends at departure. The flight time in route and layovers are paid at the domestic meal rate. When traveling to multiple cities within a country on FIU business, or to another country; the traveler should claim the meal allowance in each city/country of business travel. We encourage the departments to use the Foreign Travel Templates for Foreign Travel. An example of calculating foreign meals is indicated below.

Foreign Auto Rental

When traveling to a foreign country, car rental is restricted to a compact vehicle and Collision Damage Waiver (CDW) is the only insurance allowed. If the car rental company has mandatory fees, documentation of fees or written justification must be provided with the expense report. The traveler must provide written justification for renting a larger vehicle. If traveling with others, include a list of the passengers with their respective Travel Authorization and/or Expense Report numbers. If traveling with equipment or extra baggage, provide a detailed list and explanation.

Receipts in Foreign Language and Currency

Receipts issued in a foreign currency should show a computation converting the amount into U.S. dollars. All claims on the Expense Report must be submitted in U. S. dollar. When converting foreign transactions into U.S dollars, the conversion date should be the same as the transaction date. Foreign currency conversions should be obtained from the Oanda currency converter website and attach to the Expense Report. If a foreign transaction was made using a credit card, you may attach the credit card statement in lieu of an Oanda conversion.
Unavailable Receipt Form

If the foreign vendor is unable to provide you with a “Traditional hotel or transportation receipt” as shown below: You will need to complete an Unavailable Receipt Form. The form must contain a detailed description and pricing of all items received, along with proof of payment (credit card or bank statement). The Unavailable Receipt Form must be signed by the payee, approved by a budget approver with budget authority and dated.

Fly America Act

When traveling to and/or from foreign countries, travelers are required to use United States air carriers, in accordance with the Fly America Act, when funded by the U.S. government. Federal funds are identified by any project Id# using fund codes 660 & 661. FIU does not enforce this requirement when non-federal funds are used. This applies when commercial air transportation is used between the United States and a foreign country or between foreign countries. Cost savings, convenience or personal preferences are not exceptions for using a non-U.S. flag carrier. For more information on carrier exceptions and the Fly America Act, see the website [https://www.fic.nih.gov/Grants/Pages/Foreign-Travel.aspx](https://www.fic.nih.gov/Grants/Pages/Foreign-Travel.aspx)

Foreign Travel Warnings

When traveling to a foreign country traveler should read the appropriate U.S. Department of State advisories before beginning travel to a foreign destination and exercise prudence when traveling to a foreign country. For current information regarding travel advisories, travelers should visit the U.S. Department of State’s Travel Advisory website.

Non-Travel Expenses
**Materials/Supplies/Equipment**

Materials, supplies and/or equipment needed for office spaces/training rooms/gyms and other business purposes must be obtained using either the University Credit Card, paid by FIU via a requisition, non-conforming form or an unencumbered vendor form. **Supplies are not individually reimbursed.** Items must be purchased by following the correct procurement process.

**Entertainment Expenses**

Entertainment expenditures must be reasonable, prudent, appropriate to the occasion, and consistent with the University’s mission. Entertainment expenses are allowed for hosting FIU speakers, candidates, official visitors, etc. The maximum amount allowed for tips on entertainment meals is twenty (20%) percent. These transactions include expenses related to entertainment when the purpose of the event is to recruit individuals or directly promote the University. Fundraising events shall utilize Direct Support Organization (DSO) funds. “Designated University Officials” may include deans, vice presidents, development officers, senior administrators, and other employees who have been asked to serve in a host capacity. The types of charges may include:

- Food and/or beverages (excluding alcohol)
- Business or entertainment meals
- Employee recruitment meals
- Event admission
- Flowers (HR TLC Brigade Program only)
- Athletic Team recruitment meals

These transactions will require detailed receipts and documentation to support the need for the expenditure, a list of attendees, Panther ID# (if applicable), agendas, detailed receipts, a statement of the business purpose, and any additional information to support the expenditure. This documentation will be submitted with the completed expense report. Receipts must document the transaction information. Accurate and detailed records of purchases allow the FIU Travel Department, FIU, State and Federal auditors to verify and audit the purchases for compliance with University, State and Federal policy, statutes, rules, and regulations. All receipts/invoices must contain the following information:

1. Vendor name and address
2. Transaction date

Low-risk transactions are generally defined as transactions under $100, charges which appear reasonable in nature, and charges that have additional support. High-risk items generally have a high dollar value or are unusual in nature. Additional documentation may be required.
Athletics Department Expenses
H. Athletic Department Travel Expenses

The purpose of this section is to provide guidance in accounting for and payment of allowable expenses specific to the Athletics Department. Only those topics identified as unique to Athletics are included in this section. All other Travel and Other Expenses items should be followed as dictated in the main portion of the University’s Travel and Other Expenses Manual.

The University Travel and Other Expenses Manual and the University Travel Expense Policy must be adhered to unless differing guidance is provided. The decision to reimburse remains at the discretion of the Office of Controller. The expenses must be directly related to the purpose of the trip, evidenced by receipts and/or other supporting documentation, and must receive prior approval by the appropriate approver. Travel expenses must be authorized and expended within established budgetary limits. Any reimbursements prohibited by state statutes or regulations will not be reimbursed.

Travel Authorizations

An approved Travel Authorization (TA) is a traveler’s permission to incur expenses and travel on behalf of the Florida International University. All TA’s must be completed in accordance with the Travel and Other Expenses Manual.

Cash Advances

Athletic department employees may request an advance to help defray out-of-pocket expenses when traveling outside of the vicinity of the University. A Travel Authorization must be approved prior to a cash advance being issued. The maximum allowed for a cash advance is 80% of the expected out-of-pocket expenses, not to exceed $5,000.

Athletics coaches and staff are allowed to have three (3) cash advances outstanding at a time. The exception to this limit is the coach of the Cross-Country Track teams, which is allowed four (4) cash advances.

All cash advance request that exceeds $5,000 must be explained using the Benefit to FIU or project section within PeopleSoft and will be reviewed by the Office of the Controller. The Office of the Controller reserves the right to approve or deny based on the information provided and adherence to University policies and procedures.

All cash advances must be requested and resolved in accordance with this Travel Manual. (See page 4).
Auto Rentals
Florida International University uses the State of Florida contract with Avis and Budget for the rental of vehicles. This contract is only applicable for renting from Avis and Budget in the continental U.S. Specific guidance on auto rentals can be found in Section F of the Travel Manual.

If the Athletics department chooses to use another rental agency, the traveler will be reimbursed at the rate of the State contract. If the auto rentals are paid by Purchase Order or any other procurement methods, the contract rate must be used. If an employee is forced to rent from another rental agency, written justification must be provided and included with the expense report. For rentals other than the Avis or Budget contract, the excess cost may be required to be reimbursed to the University unless adequate written justification is provided if the rental was paid with a University Credit Card.

Gas will be reimbursed for auto rentals and University vehicles only to the driver of the vehicle or the team leader.

Hotel Accommodations/Lodging
Hotel rooms must be paid at the single occupancy rate, and the most economical means must be utilized. All contracts/agreements must go through FIU’s Total Contract Management system to obtain appropriate University approval. Low-risk transactions are generally defined as transactions under $100, charges which appear reasonable in nature, and charges that have additional support. High-risk items generally have a high dollar value or are unusual in nature. Additional documentation may be required. Items that will be paid with a Purchase Order do not have to show proof of payment but must show the unit price. All hotel folios, flight itineraries, registrations, etc., must show the payment.
Meal Allowances

Travel meal allowances are reimbursed in accordance with the University’s policy. Any additional meals in excess of the allowable rate must be charged to FIU02 Foundation.
