Warranty	<p>Florida Graphic Services (FGS) will be held accountable for ensuring project specifications are adequate for proper display and use (i.e. printed signage will withstand certain degrees of weather and/or can be installed properly on the desired surface). Final product is expected to resemble the rendering(s) or proof(s).</p> <p>If damage occurs due to faulty installation (if installed by FGS), or deficient product printed by FGS, with unit price ranging from \$1 – 5,000 within the first six (6) months, unless otherwise specified, FGS is responsible for reprinting and installing (if applicable) at no charge.</p> <p>If damage occurs due to faulty installation (if installed by FGS), or deficient product printed by FGS, with unit price ranging from \$5001 – 10,000 within 12 months, unless otherwise specified, FGS is responsible for reprinting and installing (if applicable) at no charge.</p> <p>If damage occurs due to faulty installation (if installed by FGS), or deficient product printed by FGS, with unit price ranging from \$10,001+ within 18 months, unless otherwise specified, vendor is responsible for reprinting and installing (if applicable) at no charge. If material used at installation is not the material that was originally quoted, FIU will not pay for printing or services.</p> <p>If a change in material is required, a new estimate, signed by FIU representative will be required before project can be printed and installed. If payment has already been made, a full refund will be required.</p> <p>FGS's warranty is limited to products used under normal conditions and for the use specified on the quote or customer request. FGS will not warranty products used for a different purpose of what was originally intended or requested. Also, FGS should not be liable for products damaged for missuse, vandalism, acts of nature and other conditions that will not be considered normal.</p>
